Data Breach Life Cycle

Analysis

Data indexed?

YES

Index platform GUI?

NO

Use CLI or 3rd party tools

Query data from CLI

YES

Use the GUI

Integration

Non-indexed

Indexed
1. Create index
2. Send the data

Processing

- 1 Validate the data
- 2 Clone the data
- 3 Review the format
- 4 Clean the data
- 5 Convert to other formats

Considerations

Consider there are many options

Indexing

Speed/cost
